MISSION

PCM MANUFACTURES AND DISTRIBUTES A VAST RANGE OF HIGH-QUALITY CABINETMAKING PRODUCTS.

Our company stands out by producing doors, counters, mouldings, panels and edge banding, which means our customers can find everything under one roof. Because we only work with high-quality materials and we commit to offering outstanding service all the time, PCM enjoys a leadership position in the cabinetmaking industry in Quebec.

VALUES

RESPONSIBILITY... OUR HALLMARK

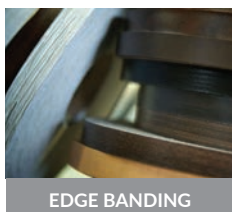

By encouraging responsibility both in our team and in our customer relations, we are able to offer an incomparable service. At PCM, each employee takes the job seriously and commits personally to achieving the company's goals and respecting our customer pledge.

VERSATILITY... A WAY OF LIFE

Cornerstone of the company and the people who work there, versatility is in our DNA: development of the best practices, transfer of knowledge and on-the-job training. Having a motivated and competent team is an asset for our clients and a guarantee for PCM's survival.

INNOVATION... A SIGNATURE

Innovation is at the heart of our daily actions and our practices are imprinted with it. In all production stages, ingenuity and good ideas are valued. PCM is the leader in the cabinetmaking products industry because we innovate.
