

# DOORS — C SERIES

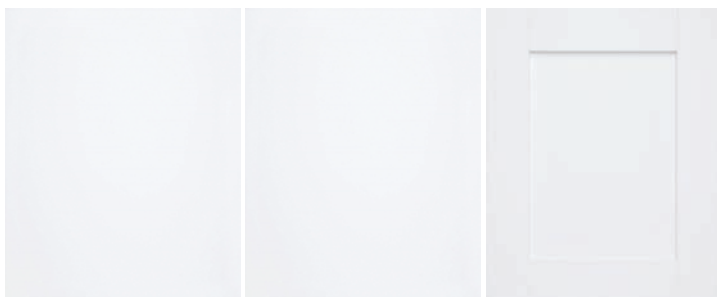

## ELEGANT AND CONTEMPORARY LINES

Our latest range of doors with an incomparable finish and trendy look will surprise you! These doors made directly from panels laminated with polyethylene terephthalate (P.E.T.) paper are created with extreme precision and meet the highest industry standards. They are of impeccable quality. With their perfectly smooth surface, the C SERIES doors produce the same effect as lacquered doors and guarantee the uniformity of the initial colour for each production. It's one of the best choices! Opting for the C SERIES is the art of obtaining a perfectly finished product at a low cost.
