

DOORS — P SERIES

**A PERFECT MARRIAGE
OF STYLE AND COLOUR**

Innovation is at the heart of our development strategy. We are always ahead in creating products that stand out and comply with new market standards and meet the ever-increasing demand for quality doors at competitive prices. This is why we are proud to offer five-piece doors in the P series. A stylish product range that is easy to maintain and scratch-resistant with a real wood-like finish. The doors are available in a wide range of colours. With the P SERIES, the possibilities are endless.
